Advanced course about Photoshop treatment for images and graphic design.

OS Preference

GNU/Linux ★★★★★
Windows ★★★★★
MacOS ★★★★★

Languages

Catalan ★★★★★
Spanish ★★★★★
English ★★★★★

Other Info and Experience

Involved in student-driven initiatives like the student delegation (*DEFIB*), the faculty annual party (*FestaFIB*) and the faculty magazine (*l'Oasi*), being part of the directive team and president of the last one for over two years.

While not being exactly a professional achievement, it has been a fruitful experience on how to manage projects and teams, learning a range of skills related to the creative, administrative and managing processes required for these activities.

You can check all non-listed aptitudes in my LinkedIn.
